

WARRANTY

The manufactures of KONAMANJE ENGINEERING AND SHOWER PROJECTS cc reserve the right to alter conditions and specifications without prior notice.

All KESP cc products are manufactured with extreme care, thoroughly inspected and tested.

The manufactures of KESP cc warrant all their products for the period of TWELFE months from date of purchase (invoice date) against poor workmanship and / faulty material. Faulty components shall be supplied free of charge, provided a written application has been submitted and approved within 30 days of fault detection.

The manufacturer warrants its products providing all components and units are installed and maintained according to the instructions as provided, and are used for the purpose for which they have been intended. Products must be tested on a weekly basis. A small amount of light lubricant grease must be applied on the shaft of the valve to prevent white rust.

No warranties of any form shall be accepted without the verification of the correct serial number as allocated at date of sale. This unique serial number is stamped or engraved into the base of product.

This warrantee will not apply to any equipment which:

- . Has Been Tampered with.
- . Has been subject to misuse or witch has been used for any purpose other than designed for by the manufacturers.
- . Has been repaired by any workshop and/or person not previously authorized by KESP cc.
- . Has been repaired with components not previously tested, passed or authorized by KESP cc.
- . No warranty on Mild Steel Products.

The manufacturers of KESP cc equipment can not be held responsible for the prevention and or aggravation of injury sustained prior to, or during use of the equipment.

The manufacturers will not be held responsible or liable for the following;

Cost of installation
Cost of repairs
Cost of alterations
Cost of replacement (excluding replacement of faulty parts or components)
Expenses incurred by the owner or any of its agents
Consequential damages either expressed or implied
Transportation of components, units or persons.

Conditions:

Take notice, this warranty will be declared null if the maintenance record sheet is not signed and faxed or e-mailed on a two monthly basis to KESP cc.

No other warrantees either expressed or implied are applicable.
